

A close-up photograph of a decorated Christmas tree. The image shows several pine branches with green needles, brown pinecones, and clusters of white, snow-like ornaments. Interspersed among the branches are small, multi-colored, iridescent ornaments that catch the light. The background is dark, making the green and white elements stand out. A white, rounded rectangular banner is overlaid in the center of the image, containing the text 'DECORATED TREE COLLECTION' in a gold, sans-serif font.

DECORATED TREE COLLECTION
